2020-2021 FAMILY VOLUNTEER FORM

Centre Stage is a non-profit organization that relies on volunteers to help make our shows successful. Many of our supporters make Centre Stage a family affair and spend hours engaged in volunteer activities. For others it is more difficult to participate. A volunteer deposit is collected at the beginning of each year to encourage parent participation. Each family must serve a minimum of 40 hours for the entire season.

The volunteer fee is \$200.00 and must be paid with a post-dated check. The checks will be held until the end of the season after hours have been calculated. Each family serving the 40 hour minimum will have their check destroyed or returned. For those who are unable to fully participate, the checks are deposited to help with production expenses.

The season runs September through May so volunteer hours average just 4-1/2 hours per month and can be served by any member of the family including the student if old enough, older siblings, parents, grandparents, aunts and uncles, as well as extended family and friends.

Please see the list of volunteer opportunities below and check any and all that interest you and your family. Let us know if you have any special skills, too! Or try something new. Our veteran parents are more than happy to help guide and train newcomers. Also indicate if you are interested in being a committee chair for any of the listed areas. Thank you for your support.
